The board room at head office is used for our weekly meetings. Representatives from different brands will come and show us their new styles for the season and we pick a range to sell to our customers. We also hold training nights for our Auckland staff to learn more about the products we sell.

In our warehouse we stock brands like Ray Ban, Oakley and Super Dry to send out to the stores. This is where your boxes are packed with your transfers and store supplies.

There is an out box for every store. We try to keep things clean and organised so there are no mistakes in your transfers. Can you spot your box?
