

SERENGETI & bolle

Staff Sales Promotion July 2016

Earn \$10 Cash Back
for every Bolle and Serengeti you sell in July!*

There are a few terms and conditions though!

1. The cash back offer only starts when your store has sold a certain number of each brand. Each store has a different number/target based on your sales forecast – so it's fair and achievable for everyone!
2. The \$10 per unit will be paid as a bonus in your pay on Wednesday 17 August – so normal PAYE taxes will apply.
3. Standard Sunglass Style Promotion Terms and conditions apply

To help you achieve your target and get you those extra \$\$\$\$
- we are also running a GWP promo with both of these brands. So
your customer gets something on top too. (Only in Core Stores.
Dress-Smarts, you will only have the super cheap prices to work with,
you will also be getting more stock.)

Please check your store email for the Serengeti and Bolle Targets
- we'll update you during the month and let you know when you're
in the money!!
