“The hallmark of a confident gaze, Dior sunglasses draw on the collections' creativity”

DIOR 30MONTAIGNE, MODELS 1 AND 2

- Made in Italy, \$769.90
- Features functional bold CD logos that open and close at the hinge

Each interpretation of the new DIOR Montaigne is bold and elegant featuring an open metal temple with the much-loved and instantly recognisable CD logo.

Montaigne1 is a classic shape with a slight wing to the edge offering a universally flattering style, this style is allocated for all stores.

Montaigne2 features adjustable nose pads for a universal fit. An oversized square silhouette with sharp angles it is this season's ADV model and is allocated for selected stores only.

DIOR SOCIETY, MODELS 1 AND 2F

- Made in Italy, \$769.90
- Features a fine studded metal frame and oversized feminine silhouettes

The delicate workmanship of the metal studs around the rim of the lenses lends the model a touch of sophistication.

As elegant as they are refined, the DiorSociety1 sunglasses feature an oversized butterfly shape with a beautiful blue gradient lens, allocated for selected stores.

With an oversized round shape, the DiorSociety2F sunglasses are defined by their ladylike silhouette, the soft brown to pink gradient add to the feminine appeal, selected stores only.

DIOR ID2

- Made in Italy, \$539.90
- Features designer CHRISTIAN DIOR stamped temples

DIOR ID2 is a classic women's oversized round, with a squared off top corner that adds a contemporary edge. This model features the CHRISTIAN DIOR PARIS logo stamping in a contrast matte black to ramp up the edginess.

The acetate frames are lightweight and comfortable, available in classic black and light Havana. This model is allocated for all stores.
