TOM FORD  
EYEWEAR

TOM FORD  
EYEWEAR

- A luxury American fashion house founded by its name sake in 2005
- Tom Ford became the creative director at Gucci in 1994 and is attributed with turning the brand around and bringing it back to the fashion mainstream
- All Tom Ford eyewear is made in Italy, with a painstaking attention to detail and high-quality products
- The styles are rendered instantly recognizable by the elegant metal “T” detail, the undisputed icon of the brand
