- Originally inspired by eclectic, thrift shop bohemian style, Sicily and Sicilian culture is at the core of the style and identity of Dolce & Gabbana.
- Known for extravagant and over the top design, D&G trademarks include underwear-as-outerwear as made famous by Madonna in the 1990s, and the duo have designed costumes for many artists and artistic ventures including the very cool Romeo + Juliet movie released in 1996 (25 year anniversary this year!)
